8685 HG SNOW WHITE

Snow White is a cool white color, used in neutral furniture designs and rather individually than in combinations. It has a bright, almost “snowy” effect that represents purity and simplicity.

5981 HG CASHMERE

Cashmere is a calm and neutral color that can complement many materials. It has organic grey-brown nuances that change with the light and evoke comfort and elegance.

0112 HG STONE GREY

The gentle grey hues mixed with white define this decor. It reminds of off-whites and is easy on the eye.

LIMITED
STOCK

7166 HG LATTÉ

Latté is a neutral, dark beige decor with an earthy look that is bound to add a feeling of warmth to any interior. It is made to flatter, to complement all kinds of timbers - from beeches to walnuts.

THE PURSUIT OF EXCELLENCE

6299 HG COBALT GREY

Saturated grey color with brownish tinges. Cobalt Grey is easy to combine with wood decors or reproductions of concrete, stone and marble.

0164 HG ANTHRACITE

Anthracite is on the darker end of the grey palette. It is dominant and has a metallic matt that makes it look black, but simultaneously falls into grey

0190 HG BLACK

This bold black color is suitable for interiors with striking contrasts, as well as for larger surfaces. When used right, with complementary colors, it can add depth and timeless elegance to any space.

8685 UM SNOW WHITE

Snow White is a cool white color, used in neutral furniture designs and rather individually than in combinations. It has a bright, almost “snowy” effect that represents purity and simplicity.

K680 HG STONE BEIGE

A beige color with a greyish undertone describes the Stone Beige decor. A versatile backdrop, it makes rooms more spatial and bright.

LIMITED
STOCK

K681 UM MACADAMIA

With a beige-yellowish color, Macadamia works well with warm woods and provides relaxing and welcoming comfort.

LIMITED
STOCK

5981 UM CASHMERE

Cashmere is a calm and neutral color that can complement many materials. It has organic grey-brown nuances that change with the light and evoke comfort and elegance.

K682 UM ALPACA

Alpaca is a journey between peach and brown hues, with own unique identity. Its muted color, warm tenderness and earthy feel best complement soft and organic designs.

K683 UM CAJUN

An earthy decor, with tan-pink tones, Cajun satisfies any creative thinking. It establishes a soothing aesthetic by layering wood, stone or other neutral designs.

THE PURSUIT OF EXCELLENCE

5994 UM ALBY BLUE

Alby Blue is a versatile decor inspired by the Nordic look - simplistic and functional with a feel for nature and a color-washed effect.

7166 UM LATTÉ

Latté is a neutral, dark beige decor with an earthy look that is bound to add a feeling of warmth to any interior. It is made to flatter, to complement all kinds of timbers - from beeches to walnuts.

THE PURSUIT OF EXCELLENCE

6299 UM COBALT GREY

Saturated grey color with brownish tinges. Cobalt Grey is easy to combine with wood decors or reproductions of concrete, stone and marble.

LIMITED
STOCK

0164 UM ANTHRACITE

Anthracite is on the darker end of the grey palette. It is dominant and has a metallic matt that makes it look black, but simultaneously falls into grey

0166 UM BASALT

Inspired by the mineral tones of the ancient rock it represents, Basalt is a deep, dark grey decor that recalls solidity and strength.
