8685 Snow White

Snow White is a cool white color, used in neutral furniture designs and rather individually than in combinations.

K023 Venato

Venato is a stunning and versatile reproduction of Italian Marble. Its elegant crystalline look and grey veins provide a natural appearance and make it perfect for larger surfaces.

K023 Venato

K551 Calacatta Olympus

Stunning Italian marble, with an intense white background and warm gold and grey veining. It can bring a touch of class to any space and work in great harmony with other materials like wood, stone, and metal.

K551 Calacatta Olympus

K552 White Iceberg Marble

A large-scale, impressive showstopper of marble. This decor features a bright white background with a rich deep grey veining pattern. It is an ideal worktop to pair with dark grey and black kitchens

K552 White Iceberg Marble

K367 Cream Navona

Cream Navona is a splendid natural marble decor, characterized by a beautiful ivory color and lighter veinings. It is a versatile and elegant material reproduction, which looks and feels great thanks to its PH texture with a burnished, waxy touch.

K367 Cream Navona

K750 Agra Travertine

Agra Travertine adds sophistication and unique style to your place. The natural stone appeal, with its shades of beige and ivory, attracts attention and is a suitable choice for both modern and classic interior design.

K368 Grey Atlantic Marble

Grey Atlantic Marble can evoke a sense of urban chic in any interior. Its PH texture replicates natural cracks and indentations with a burnished, waxy touch and adds a distinct stone feel.

K368 Grey Atlantic Marble

K538 Dovetail Arosa

An elegant natural stone with a uniform concrete-like effect in light grey color. Up close, the fine details and nuances of color play come to the fore.

K538 Dovetail Arosa

K539 Fossil Arosa

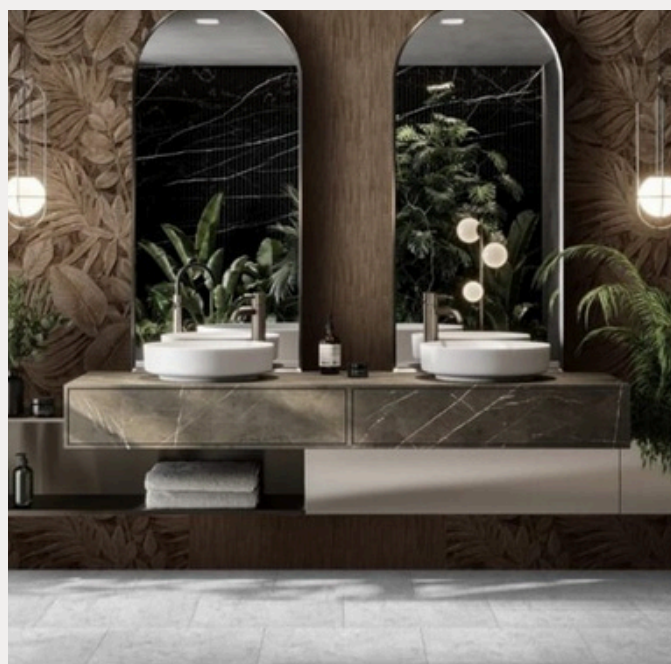

An elegant natural stone with a uniform concrete-like effect in dark grey color. Up close, the fine details and nuances of color play come to the fore. The non-directional texture with a matt effect makes the decor ideal for vertical and horizontal surfaces.

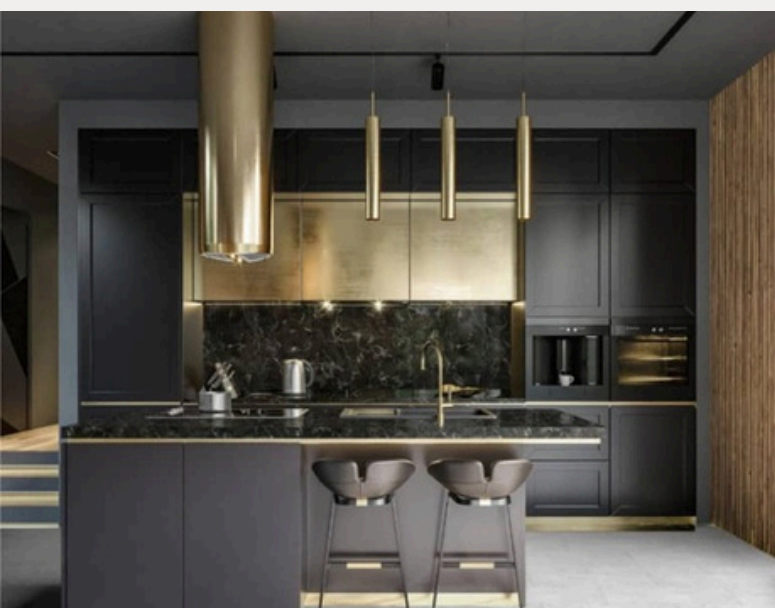

K539 Fossil Arosa

K595 Pietra Belvedere

The delicate white veins of this decor contrast against a dark grey background, giving Pietra Belvedere a truly stunning authentic look. It can be successfully combined with uni colors, natural light woods and even concretes to create outstanding interior solutions.

K553 Galaxus

Galaxus displays a strong character with its intense anthracite-colored background and regular crystalline veining structure. This marble decor can add elegance and sophistication to any setting and can be easily combined with natural-colored wood types or more earthy nuances from our uni-color range.

K553 Galaxus

K537 Ristretto Baroque Oak

A charming woodgrain decor in dark brown colors with a vintage appearance and gentle grain, combining straight and slightly elliptical shapes.

Black Slate 0190

This bold black color is suitable for interiors with striking contrasts, as well as for larger surfaces. When used right, with complementary colors, it can add depth and timeless elegance to any space. Available in diverse textures, making it possible to create exciting textural contrasts.

Black Slate 0190

Black AF 0190

This bold black surface features an anti-fingerprint finish, making it both practical and visually striking. Ideal for interiors that embrace strong contrasts or expansive applications, it brings depth and timeless elegance when paired with complementary colors. Available in a variety of textures, it enables the creation of dynamic, tactile contrasts across different design elements.
